# Lessons Learned

- ▶ **Collaborating** with other sectors/agencies on the same area minimizes the effort and duplication. Fosters Cross learning;
- ▶ Sensitization of the local levels on COVID-19 and its response approach gives better outcome. This is also one of the best approach of **Risk communication and Community Engagement.**

Nepal Red Cross and Chautara Sangachok Gadi Municipality jointly start Health Desk program from today at Bandeau sindhupalchok.

# Bottlenecks/Challenges

- ▶ Unavailability of quality PPEs
- ▶ Managing/balancing high demands/need and available resources
- ▶ Limited HR with health background and technical skills
