UPDATE FROM MH RH-CLUSTER

RH CLUSTER UPDATE

- ❑ The roll out of the interim RMNCAH guidelines is initiated, est. 40 facilitators are orientated at the federal level. The provincial and local level orientations on-going.
- ❑ Maternal Death cause investigation is on-going, information received from 34 sites, a small task team is preparing for its analysis and recommendation.
- ❑ Monitoring of the life-saving MNH and FP commodities shows, high stock out at the SDPs. Misoprostol stock out in 26 districts. RH cluster partner supporting procurement, transportation of some commodities (misoprostol, ERH kits)

WAY FORWARD

- ❑ Incorporation of the RH minimum standard in the Quarantine guidelines.
- ❑ Coordinate and support for addressing the stock-out situation of essential MNH commodities.
- ❑ Need for prioritize procurement and distribution, including good linkage between the central and provincial level.

SUPPORT SOUGHT FOR

- COVID 19 case management logistics (PPE, ventilator, lab re-agents etc)
- Personal Protective Equipment (PPE) (N95, full set) & TEST KITS
- Help in improving health conditions in quarantine (Hygiene and sanitation of returnees)
- Help health facilities for the continuation of services
- Risk communication/ Community engagement
- Support province and local level to form the Case Investigation and Contact Tracing Team.

Our Common Goal: No person should die from any other diseases including from COVID-19

TOGETHER, WE CAN!

thank you
