Source: 3W data

*Excludes the nationwide activities like awareness raising

KEY ACHIEVEMENTS

8,152 CHILDREN reached with home-based learning support

1,495 TEACHERS AND EDUCATION ACTORS trained on psychological support

1.5 MILLION PEOPLE reached through education related awareness messages

172 SCHOOLS DISINFECTED (used as quarantine, isolation and holding centers)

WASH facilities installed and repaired in **170** SCHOOLS

KEY STRATEGIES

1. Ensure adequate capacity for management and coordination during the response period

2. Strengthen prevention and resilience within the school system and among students, teachers, parents and caregivers

3. Support continuity of education/learning for all children including children with disabilities and marginalized group in all areas

4. Advocate for inclusion of teachers as a priority group in the national vaccination campaign to protect teachers and to ensure the continuation of learning in a safe and protective environment
